

When a Team enters their schedule, and indicates that night 2 of a tournament is TBA (time and opponent), then when they report their game score for Game 1, they are going to have to edit game 2 prior to the game being played. This takes about 2 minutes, and updates the entire site at HSSS for schedules, calendars, and gets the site ready to accept that Game 2 result.

- 1. Here is how the schedule appears prior to game 1. It's great because the date is on the schedule, the game calendar and importantly, the calendars of the families of the athletes.

SCHEDULE

View Full Calendar

Table with columns: DATE, OPPONENT, CLASS, LOCATION, VAR TIME, RESULT, SCORE, PTS. Row 1: 11/26/2021, at Richfield Springs, D, Richfield Springs HS, 7:15 PM, preview. Row 2: 11/27/2021, at TBD, Richfield Springs HS, TBA, preview.

- 2. After Game 1, the coach (or their designee) has to return to the coach console, and Edit (pencil "in the box") Game 2 for time and opponent.

Navigation menu with buttons: SCHEDULE/RESULTS, ROSTER, ANNOUNCEMENT, LOCAL MEDIA, ADD EVENT, STATS REPORTING. Below is a table with columns: DATE, START, OPPONENT, RESULT, LEAGUE, SEEDING. The edit icon (pencil) for the 11/27/2021 row is circled in red.

3. Clicking on the "pencil in the box" calls up your scheduler. The date should be correct, but the Time can now be edited for the correct game time. In Non-Section, the TBD will need to be highlighted and deleted manually.

The Location should still be correct.

Event

Date: 11/27/2021 []
Start Time: TBA Broadcast: []

OPPONENT
Section: []

Non-Section: TBD [] Add Missing Team
Non-Section Class: []

Home Game
 Non-League Game
Check this box if this game is considered to be a "Non-league" game. The game will appear as a win/loss in your overall record AND count for seeding points.
 Does Not Count For Points/Seeding
Check this box if this game does not count for seeding points. The game will appear as a win/loss in your overall record but will NOT count for points and will NOT count as a season's divisor for overall seeding average.

Location: Richfield Springs HS Add Missing Location
Leave blank to play at home team's location. Begin typing to see available locations

Red Fields are Required [Cancel] [Save]

4. Finally: The new time is entered. If Game 2 opponent is a Sectional team, they can be entered in the Section area for Opponent. If the Game 2 opponent is a non-section team, use the Non-Section dropdown to enter the opponent and make sure you indicate that opponent's classification (might require asking, or finding the information online). Check the Location, but it should still be correct from the initial entry when you built your schedule.

The screenshot shows the 'Event' form for a basketball game. The following fields are circled in red:

- Date:** 11/27/2021
- Start Time:** 6:30 PM
- Section:** Chittenango
- Non-Section Class:** (Empty dropdown)
- Location:** Richfield Springs HS

Other visible fields include: Broadcast (empty), Opponent (empty), Non-League Game (checked), Does Not Count For Points/Seeding (unchecked), and Home Game (unchecked). Buttons for 'Add Missing Team' and 'Add Missing Location' are also present.

You are ready to go for Game 2 of your tournament. Report the results after the game as you usually do. Good luck!

Contact HSSS if you would have any questions about the process.
