

Log in to High School Sport Stats - On your Coach Tools, click Coach Console

Select the "Edit Icon" for the game you wish you enter stats for. There are scores, home, and away buttons

1. The first icon looks like a "pencil". This will allow you to put in your line scores, final scores, and you can also write up a paragraph highlighting the game. Click Save.

1. Enter the line score and final scores (database will not do the final addition).
2. Section VI Boys' Basketball and Section III Girls' Soccer have an Official's Rating System. If you sport has allowance for coaches to rate officials, you will see this option. . Note: This feature is offered as an "add on" for HSSS and there would be an additional charge at our programmer's rate to have this feature.
3. ALWAYS Save!

2 & 3. The "Home" and "Away" Icons are for Team Stats Entry.

1. A box to check for players who "DNP = Did Not Play". HSSS will calculate PPG in the stats database. This box needs to be checked for a game count per player.
2. NEW FEATURE: HSSS will allow you to save your HUDL stats reports on your computer and then Upload that File (MaxPreps format), and it will populate your stats for you. Note: This feature is offered as an "add on" for HSSS and there would be an additional charge at our programmer's rate to have this feature.
3. ALWAYS Save.
